Christmas Card Competition Winner Announced!

Congratulations to Jeff Tattersall of Locking Stumps who submitted the winning entry this year. His photograph will be used on the company's official Christmas Card this year and Jeff won a month's free travel on Network Warrington buses! Well done again Jeff!

**Seasonal greetings from the staff to all our customers -
we look forward to serving you in 2012.**

Bus Driver of the Year

Charlie Rowley, David Morley and their wives attended the UK Bus Driver of the Year Finals held in Blackpool in September. On the Saturday evening, there was a Gala Dinner held at the Hilton Hotel, whilst on the Sunday the pair competed in the Competition, which involved written tests in Highway Code & CPC, together with an in-service drive and various exercises en-route such as pulling up at a fuel pump and reversing into the garage. There were 116 competitors attending this year, from bus companies across the UK, including the PLC's, other municipals and independents. David came in at 48 and Charlie at 50, which was a fantastic achievement for their first year, in fact they beat a number of drivers that had competed in previous years.

Investors in People

The Company recently had its 3 year re-assessment for Investors in People status, not only did we achieve this standard, but increased it to a new Bronze Award, which

signifies a number of significant improvements. We are not resting on our laurels though, as the assessment report gives us

advice on areas to improve, we will be rolling out a number of initiatives in the coming months to achieve this goal.

European Car Free Week

We recently supported Warrington Borough Council who ran a green week in support of European Car Free week. We provided a bus and staff to give out information in the Old Market Place, other exhibitors included the Council's Road Safety Department and a local cycle supplier who was providing free cycle safety checks.

Travel Centre

We opened our Network Warrington Travel Centre in September, located in the former Warrington Borough Council travel office at Warrington Bus Interchange. The Travel Centre is open 6 days per week, and retails our range of Saver Tickets, we also give out bus information on behalf of ourselves and other operators.

We Are Backing the Bid!

Network Warrington is delighted to be supporting the bid to bring the 2013 Rugby World Cup to Warrington. 100 buses across the town are sporting the bid logo. At a Reception at the Town Hall on Monday 28 November, it was revealed that the town has been successful in gaining a number of matches and will host one of the teams.
